

CHOSEN – Gr. 10

Each person can only have one online text. If you use a second email, then someone else will not have their online text.

Make sure that if you have not already done so, that you write this email and password on the inside cover of your CHOSEN textbook.

Here is the link that you will need to get back into your online videos and text:

CHOSEN: Your Journey to Confirmation:

Click on the link above to easily sign in using just your email and a password. Click on **I ALREADY HAVE AN ACCOUNT** on the top left side of your screen, since you should have one from last year.

If you need additional help, please see the video below with step-by-step instructions on how to access the study from this link:

If you have questions about your account, you can contact Ascension and they will be happy to you at [1-800-376-0520](tel:1-800-376-0520) Monday through Friday 8am to 6pm EST.

Please make sure you **write** your **email and password** on the **inside cover** of your **CHOSEN book** if you have not already done so.

If you never got online last year and there are no longer online books available from the first link, try this link:

If there is still a problem, see me. Everyone must make sure they get on during the next week so you do not find out mid-year that you can't get on.
